Ontario Seniors Dental Care Program Application

Instructions

The **Ontario Seniors Dental Care Program** ("the Program") provides comprehensive dental care to eligible low-income seniors. The benefit year for the program is August 1st to July 31st. A senior is eligible for the Program if they:

- Are 65 years of age or older;
- Are a resident of Ontario;
- Are a single senior with annual net income of $19,300 or less, or senior couples (one or both people aged 65 or older), with a combined annual net income of $32,300 or less; and
- Have no access to any other form of dental benefits including through government programs such as Ontario Disability Support Program (ODSP), Ontario Works (OW), or the Non-Insured Health Benefits (NIHB).

As a senior, you may use this application form to apply for the Program if you and your spouse (if applicable) have filed your Personal Tax Return(s) with Canada Revenue Agency (CRA) for the most recent tax year and have a valid Social Insurance Number (SIN). If you have a spouse (married or common law partner) who would also like to apply for the Program, they must complete their own Application Form.

Alternatively, if you or your spouse, if applicable, do not have a SIN and/or have not filed your tax return(s), you will need a Guarantor to confirm you meet the eligibility requirements of the Program. If this applies to you, please complete the Ontario Seniors Dental Care Program Application through Guarantor Form (5126-20E).

You can apply to the Program through mail or online. Only one application is needed. If you wish to complete an electronic version of this form, please visit www.ontario.ca/seniorsdental.

To enroll in the Program:

1. You will need your SIN and, if applicable, your spouse's SIN.
2. Complete and sign all sections of this Application Form that apply to your situation. Please note, this form requires the applicant's signature in **two sections**: Section 4 and 6.
3. If you have a spouse, in order for you to apply, your spouse must also include their information on this form and provide their consent, regardless of their age. This information is required to properly assess your annual net income eligibility for the Program.
4. Mail your completed Application form to:
   Ministry of Health
   Ontario Seniors Dental Care Program
   Station P, P.O. Box 159
   Toronto ON M5S 2S7
5. The Program Administrator will contact you or your substitute decision maker (if applicable) if there are any issues with the application. You will be notified of the status of your application by letter once it has been reviewed.
6. If your application is approved, you will receive a welcome package and dental card in the mail with an expiration date of July 31 of the current benefit year.
7. Your eligibility will be automatically assessed before each benefit year. Annual notices will be sent to your mailing address regarding your enrollment status and if eligible, you will receive a new card for the benefit year. To avoid delays in the automatic assessment, it is important that you and your spouse (if applicable) file your Personal Tax Return(s) with CRA in a timely manner.
