

Inventory: Skills

List every skill you have, no matter how simple and obvious it may seem. The ones that could be the key might be obvious and unimportant-looking to you.

For instance, if you speak and write fluent Spanish and are good at research, consider the potential for information products in the Spanish speaking market.

List: Every job you've ever had, and what you learned from it.

- ☐ Every hobby you have that requires any more skill than flipping channels.
- ☐ Every language you speak, instrument you play, and past or present interest.
- ☐ Every volunteer position you've filled.
- ☐ Every incidental skill you've acquired along the way. This can be writing, accounting, brainstorming, whatever.
