Inventory: Technical Resources

Here you want to list computer hardware, electronics, (camcorders, VCRs, etc), software, technical staff, etc.

You want to pay close attention to the resources that come with your web site. If you have autoresponders, CGI access, extra email boxes or aliases, list servers, password protected directories, etc. Anything your web host lists as being included with your service. This is one of the most often overlooked parts of the resource list.
