

As of the current criminal penalties that have been proposed, do you believe that these are satisfactory? If not, please explain why.

Not enough info or personal knowledge available.

---

---

---

Do you believe that the current legislation has suitable controlled access policies and possession policies? If not, please explain why.

Probably not, Another area that will put the taxpayer under the control of a self-serving , overpaid unionized bureaucracy.

---

Other Comments/ Concerns

---

We don't need more young unemployed Americans to add to our homeless population.

The cost will be much higher than anticipated with the result like tobacco the taxes will be raised to the point that a thriving black market will flourish.
